Dear Colonel Dalton:

Thank you very much for your kind letter of July 17, 1972, with the invitation to address the third Military Intelligence Officers' Advanced Course at Fort Huachuca. I accept with pleasure and will be delighted to talk to the members of the staff and faculty informally after lunch. I am grateful also for your kind invitation to lunch.

I will probably arrive the evening of 30 August and will keep you advised as to other details concerning my travel.

With every good wish to you and to the officers and men at the center.

Faithfully,

JUL 17 1972

Lieutenant General Vernon A. Walters  
Deputy Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear General Walters:

The graduation ceremony for Class 72-AA-3, Military Intelligence Officer Advanced Course, at the U.S. Army Intelligence Center and School, is scheduled for 1000 hours, 31 August 1972. This will be the third Military Intelligence Officers' Advanced Course to be graduated at Fort Huachuca, Arizona. The U.S. Army Intelligence Center and School would be greatly honored if you would attend this ceremony and deliver the graduation address.

Class 72-AA-3 consists of 69 officers who began their course of studies on 10 January 1972. A class history is inclosed.

I know that members of this class, as well as the Staff and Faculty will be most interested in any guidance that you might choose to give them pertaining to careers in Military Intelligence. Such guidance assumes even greater significance in view of the President's Executive Order to realign the intelligence structure and assets of this country.

Should time permit in the afternoon of 31 August 1972, it would be greatly appreciated if you could discuss with selected members of the staff and faculty the reorganization of intelligence services and other items of interest to intelligence personnel.

I hope that your schedule will permit you to accept this invitation and that you will find it convenient to have lunch with me and members of the staff and faculty at the Fort Huachuca Officers Open Mess following the graduation ceremony.

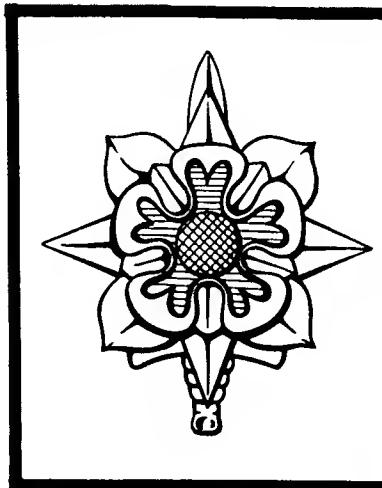

Sincerely yours,

I Incl  
as

ELVIN DALTON
